## Part II: Partner of the Year – Retailer Application

---

**Eligibility:** **Partner of the Year – Retailer**  
Retailers of ENERGY STAR qualified products.

**Description:** Retailers, both large and small, are making an ever-increasing contribution to the growing success of ENERGY STAR. And as ENERGY STAR retail partner participation in the program continues to expand, we are dedicated to recognizing the very best in terms of a broad commitment to and success with ENERGY STAR.

Each company excels in specific areas and relative to the size of the company. Applications will be reviewed with this in mind and depending on the applicant pool, a separate retail Partner of the Year award may be given to a small or regional retailer.

**Criteria:** Criteria for evaluating this award are listed below. **To be eligible for an award, applicant must be a partner in good standing, having complied with applicable partner commitments, including the requirement to submit qualified product sales data.** In describing your company's activities, please organize your submission consistent with the outline below and be as specific as possible. (For example, in describing use of the ENERGY STAR logo on a company Web site or advertisement, provide specific timing and placement information, visibility to the public (perhaps number of hits/impressions in a period of time), and size/placement of the logo.) For more decentralized organizations, such as buying groups or non-national retail chains, partners may use different examples of success from different parts of the organization.

Your narrative description should be no more than **ten pages**, but may be accompanied by samples of specific promotions, advertisements, or other activities your organization led in 2006.
